**CODE OF ETHICS**

The Constitution of the Lebanon County Kennel Club, Inc. (LCKC) states that the club shall do everything in its power to promote and advance the interests of purebred dogs. Members of LCKC agree to further the Club's objectives and conduct their dog-related activities in accordance with this Code of Ethics.

**AS A MEMBER OF THE LEBANON COUNTY KENNEL CLUB, INC. I HEREBY AGREE TO:**

- 1) Become familiar with, and uphold the Consitution and Bylaws of LCKC and the American Kennel Club (AKC) and the official breed standard of my breed(s) set by AKC.
- 2) Demonstrate sportsmanlike conduct and respect for fellow exhibitors and their dogs.
- 3) Never deliberately mistreat or abuse any dog(s).
- 4) Never deliberately degrade or falsify statements about any Club member, dog fancier, breeder, kennel operation, or their dog(s).
- 5) Conscientiously plan each litter I breed based on my official breed standard, and breed only adult dogs which are registered, of sound temperament, and free of disqualifying faults.
- 6) Provide healthy spacing between stud services/litters of the dogs and bitches used in my breeding program.
- 7) Maintain a safe, humane, sanitary environment for all my dogs, and provide them with proper exercise and socialization, grooming, routine vaccinations, and wormings, fresh water and nutritious diets.
- 8) Keep accurate pedigrees and breeding records and accurately register my dogs in accordance with the rules and regulations set forth by the AKC, and will not knowingly contribute to or be part of false registration.
- 9) Never sell or donate dogs to commercial wholesalers, pet shops, contest sponsors, or deal with any person(s) known to sell to such establishments. Nor shall I engage in over-breeding of my bitches for profit with no regard for quality.
- 10) Never sell, exhibit, or knowingly expose a dog that is ill or that has been exposed to a communicable disease.
- 11) Never sell any puppy before the age of 49 days.
- 12) Puppies and adults shall be sold in a clean and healthy condition. No adult or puppy shall be sold without adequate protection against disease. Supply all puppy buyers with a bill of sale, registration information, pedigree, health record, and written information on the general care and feeding of the puppy or adult at the time of sale, and will offer reasonable help and guidance for the life of the dog.
- 13) In the event of a complaint lodged against me with the Lebanon County Kennel Club, Inc., I agree to extend my cooperation in the resolution of said complaint.
